We sell ovens and oven accessories,

which are available at the 'ONLINE SHOP' of our website. On the 'Details' sub-pages for the items displayed for purchase, one or more items with the optionally selectable features can be selected by clicking 'ADD TO CART'.

An overview of the selected items can be obtained by clicking on 'CART'. By clicking the 'Recycle Bin' icon, items can be completely removed from the selection with the specified quantity. After clicking the 'Pen' icon, the 'QUANTITY' of each selected item and, if necessary, the selected features, can be modified. Modifications can be confirmed by clicking 'UPDATE CART'.

If the selection is correct and complete, the order and payment process can be invoked by clicking 'GO TO CHECKOUT'.

The indicated fields should be completed on the following 'INVOICE ADDRESS' form. There is the option for specifying a 'DELIVERY ADDRESS', which differs from the invoicing address, by selecting 'Send to a different address'. A click on 'CONTINUE' invokes the next step.

Once the method for 'DISPATCH & DELIVERY' was selected, a click on 'CONTINUE' must follow as confirmation.

Subsequently ('PAYMENT INFORMATION'), one of the payment methods we offer can be selected for the purchase. A click on 'CONTINUE' invokes the next step.

A list of the selected items will then be displayed in the 'ORDER OVERVIEW' along with the further details provided.

A contract with us can only be concluded if our Online - General Terms and Conditions for Sales and Delivery have been accepted, and the information at hand and the cancellation policy have been acknowledged by ticking the appropriate box.

By clicking on 'BUY NOW', a binding request to purchase the selected items according to the Customer's selections and details, the total price displayed, our Online - General Terms and Conditions for Sales and Delivery and the contract information at hand, will be submitted and the subsequent payment process, taking into account the payment method selected by the respective consumer, shall be invoked.

At any time, customers can change or view the data they have provided by using the navigation and input options of their browser.

The respective customer will immediately receive an order confirmation from our Shop, which will also confirm safe receipt of the order placed by such customer. We shall then send an automatic contract confirmation / order confirmation / invoice to the e-mail address provided, in which the contract content (in addition to our Online - General Terms and Conditions for Sales and Delivery) is listed once again. Customers can print and save these items using the 'Print' and 'Save' functions respectively. A contract will be concluded upon receipt of the respective contract confirmation.

The text of the contract will be saved in accordance with the principles of the protection of private data, which will be made available to the respective customer upon request.

Contracts shall be concluded in German language.

If the subject of a contract represents a purchase or a service, customers shall be entitled to the statutory warranty claims in accordance with our Online - General Terms and Conditions for Sales and Delivery, which shall also generally apply.
